SUBJECT INDEX

ABDOMINAL aorta: *see* Vascular system
Abdomino-perineal resection: *see* Surgery
Abstracts of current literature, 754, 826
Achlorhydria; relation to hypoglycemia, 422
ACTH in treatment of gout, 229
Adams-Stokes disease: *see* Heart
Adenoma, senile sebaceous: *see* Skin, growths
Adrenal
— cortisone in immediate therapy of apoplectic stroke, 216
— cortisone and ACTH in treatment of gout, 229
— hormones; use of, in geriatrics, 86
— hydrocortisone in treatment of thrombophlebitic edema, 753
Adrenocorticotropic hormone (ACTH): *see* Pituitary preparations; Adrenal
Advertisers, index to (each issue, July–December)
Age: *see also* Geriatrics; Retirement; Senile; and under various systems and diseases
— aged people; effect of androstanolone in, 26
— aged surgical patients; principles in management of, 32
— aging chest; roentgen observation of, 772
— aging; patterns in, 371
— aging process; postponement by estrogen therapy, 627
— aging; the challenge of, 210
— elderly obese patients; nutrition program for, 417
— elderly patients; plastic surgery for severe facial paralysis in, 820
— elderly patients; treatment of hypertension in, 108
— elderly people; cutaneous malignancy in, 678
— elderly persons without upper G.I.-tract symptoms; state of gastric mucosa in, 171
— geriatrics: *see* Geriatrics
— latter half of life; simplified nutrition program for, 417
— menopause; *see* Menopause
— older age group; gallbladder surgery in, 46
— older age groups; surgical treatment or trigeminal neuralgia in, 467
— older patients; complications of diabetes in, 351
— older people; common blood problems in, 120
— older people; maintenance of good health in, 509
— older people; malignancy of ear, nose and throat in, 480
— older people; psychosurgery in, 456
— older persons; deafness in, 386
— older women; gynecologic problems in, 434
— patients over middle-age; importance of routine x-ray exam. of chest in, 39
— postmenopausal bleeding, 807
— retirement and the retirement age (editorial), 619
— retirement: *see also* Retirement
— senile cataract; problems in management, 396
— senility: *see also* Senile
— the aged; amphetamine-barbiturate in treatment of, 96
— the aged; cardiac and renal reserve in, re operability, 781
— the aged; chronically ill; physical medicine and rehab. for, 75
— the aged; diagnosis and treatment of diseases of bladder in, 746
— the aged; emphysema in, 153
— the aged; essentials for rehab. in, 174
— the aged; laboratory tests for determination of operability in (nutrition), 786
— the aged; new boon to; relief of nocturnal leg cramps by Orthoxine, 736
— the aged; osteoarthritis in, 519
— the aged; postoperative mortality in, 130
— the aged; rehabilitation of: *see* Rehabilitation
— the aged; overtreatment in, 650
— the aged with primary lung tumor; problems of pulmonary resection in, 440
— the aging syndrome, 123
— the elderly; management of edema in, 344

Age—*Continued*
— the elderly; morbidity and mortality following abdom.-perineal resection for cancer, 450
— the elderly; senile macular degen. as common cause of defective sight, 193
— the elderly patient; bacterial allergy as cause of intrinsic asthma in, 662
— the elderly patient; fractures in, 613
— the older handicapped worker; America's need of, 203
Aging: *see* Age; Geriatrics; Senility
Alcohol
— alcoholism as a factor in cirrhosis, 114
— and smoking; effect on cardiovascular system, 270
— injection, in treatment of trigeminal neuralgia, 467
Allergy
— bacterial; cause of intrinsic asthma in the elderly, 662
— to tobacco, 278
America needs the older handicapped worker, 203
American Geriatrics Society
— Annual meeting (1954), San Francisco
— announcements of; 71, 135, 200, 256, 265, 411
— program of; 256, 265, 411
— Annual meeting (1955) New York
— announcements of; 552, 624, 688, 768, 836
— Fellowship (membership) in: *see* Contents page, front ad. section
— Graduate symposium on geriatric medicine (1954) New York
— announcements of; 488, 551, 623, 683, 763
— program of; 683, 763
— Journal of: *see* Journal of the American Geriatrics Society
— Officers
